

UTM OFFSHORE LIMITED

QUALITY POLICY

Document Number:
UTM/QP/001

UTM OFFSHORE LIMITED is committed to providing offshore marine and security services.

UTM OFFSHORE LIMITED services meets and exceed clients' expectation as well as regulatory and statutory requirements.

We are committed to ensuring, implementing, maintaining, review and continually improving our QMS in accordance with the requirements of ISO 9001:2015 standards with consideration to customer satisfaction and interested parties.

This quality policy is relevant to the company's operations at all times, available to relevant interested parties, maintained as documented information, communicated, understood and applied within the organization.

JULIUSE RONE
MD/CEO
